Access:

If you have any specific access requirements, please contact us before purchasing tickets, to ensure that we can accommodate your requirements.

Care of Children: All children must wear wristbands with their 'parent/guardian' mobile number written on it, using indelible ink. Any child who is lost, will be taken to the main gate for safety and the 'parent/guardian' will be contacted via the mobile number on the child's wristband. We will also make an announcement over the PA system, in the Marquee and A-Frame bar; for safety reasons, the child's name will not be announced.

Whilst we do all we can to ensure children are in a safe environment, parents/guardians are responsible for them at all times.

General Security: Please do not leave any personal belongings in open, unmanned tents/ caravans. We cannot be held accountable for criminal acts committed by members of the public and will not accept responsibility for loss, damage or theft of personal belongings anywhere on site. We strongly recommend that you do not bring items of value with you to the Festival.

Music Policy:

We must stipulate that **Under No Circumstances** should you bring any PA/SOUND SYSTEMS to the festival.

There is to be NO other music from personal music players after 11pm in respect to other festival goers and to comply with our licencing. We have to adhere to a strict sound level control for our music licence for the festival. We are only licenced for 2 music venues; The Marquee and The A-Frame Bar.

Our licence states all music must end at 1am, we have families on site and it is unfair on them and other people around who want to sleep!

Our Event Management Plan demands that we are to carry out sound level controls throughout the weekend, this is due to having houses close by and also the nearby village of Harwell. These tests are carried out by our sound engineer on site, and the local council who monitor the sound from outside of the festival. With this in mind the Marquee will finish at 1am Saturday and 11pm Sunday. The A-Frame will finish at 1am Friday, Saturday and Sunday.

Like any festival/music event there will be some flashing lights within the Marquee and A-Frame Bar.

Valuables: The Police will be notified immediately of any theft taking place on site – whether it be financial or personal items. Please be aware of all your personal belongings, whilst on site.

Toilets: Please ensure that only toilet tissue provided is flushed down the toilets, anything else must be disposed of in the waste bins provided.

Caravans/Motorhomes waste - There will be a designated area for waste for those who are staying in Caravans/Motorhomes – please **do not** flush down the main toilets or portaloos. Those renting Caravans please refer to the user manual in your caravan.

Refuse: There are plenty of refuse bins around the site. Please ensure that you take any large items home with you. Please do not leave them on site! Thank you

Fire Pits/BBQs: Any campfires must be a standard fire pit / All BBQs are to be used sensibly and with caution. Please ensure that all BBQs and fire pits are fully extinguished after use.

Dogs: Whilst dogs are welcome, we must stipulate that they must be kept on a lead and under control **at all times**, and owners must remove defecation immediately. **ALWAYS POOP & SCOOP!**

Fireworks/Chinese Lanterns: Please do not bring these to the Festival.

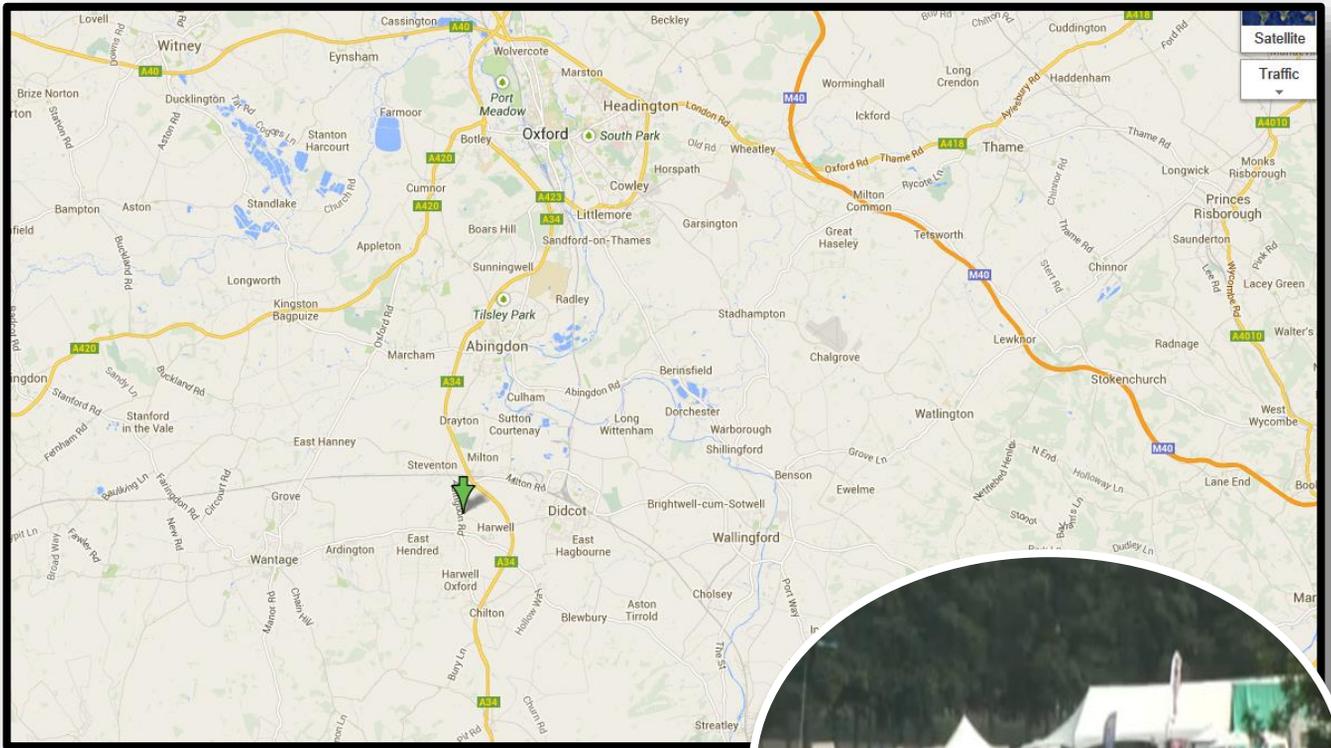

Promotional Flyers: Please do not bring these to the Festival.

Extreme Sun Exposure: In the event of very hot weather, please be advised to wear suitable clothing and sun cream to help minimise any sunburn and to stay in shaded areas at peak times.

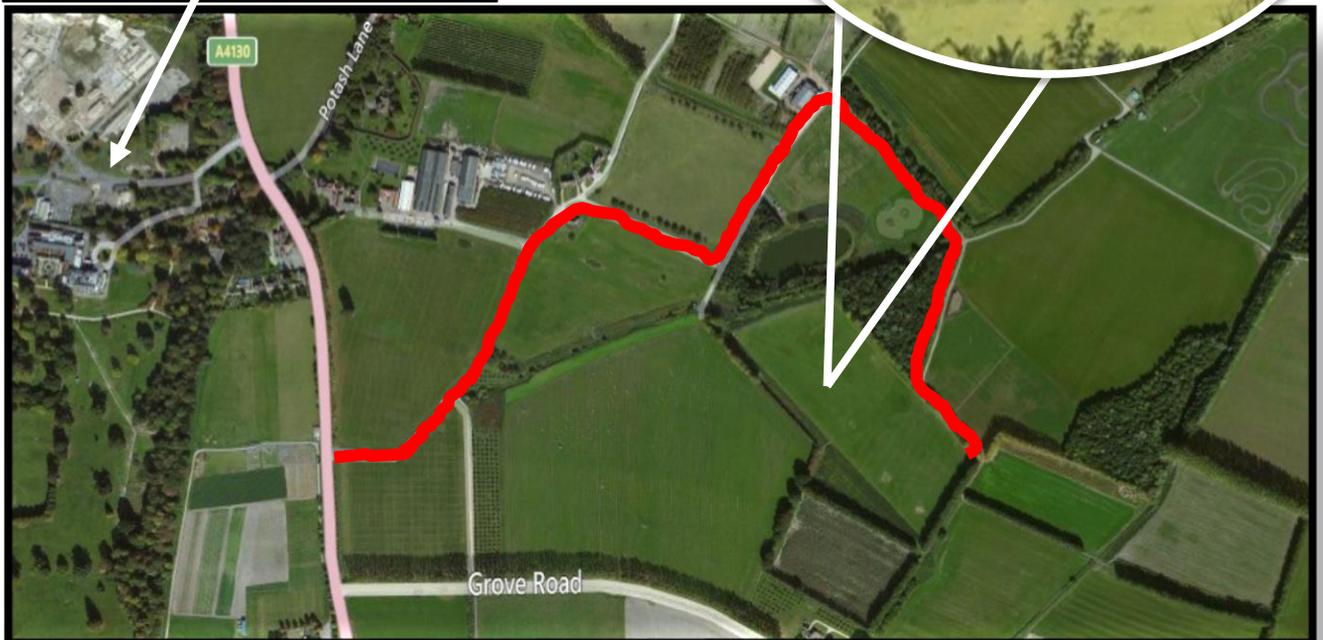

Finally, when taking down tents, please remove all tent pegs, ensuring none are left in the ground, as animals return to the field once we have left.
